Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule 1.322.

Inspection of the file of the application for the patent reveals that column 8, lines 45 and 65, is/are printed in accordance with the record in the Patent and Trademark Office, as passed to issue by the examiner. Specification submitted by the applicant clearly shows an ampersand. There being no fault on the part of the Patent and Trademark Office, it has no authority to issue a certificate of correction under the provision of 1.322.

In view of the foregoing, your request for certificate of correction is hereby denied. However, further consideration will be given your request in this matter, upon receipt of a request under the provisions of Rule 1.323, accompanying the appropriate fee of \$100. A certificate of Correction will be issued to correct the remaining error(s) noted in your request.

Future correspondence concerning this matter should be filed and directed to Decisions & Certificates of Correction Branch.
